

Dear Sir/ Madam,

Invitation for a Technical Visit of Recycling Fund

Have you ever considered that the bricks on the ground can be upcycled from waste plastics? "EcoBricks Limited" utilises funding from Recycling Fund under "Enterprise Support Programme" to set up a large-scale EcoBricks facility in order to upcycles waste materials into eco-bricks, effectively reducing waste while providing the construction industry with a sustainable material option. This initiative not only achieves resource reutilisation but also promotes sustainable development.

The Hong Kong Productivity Council (HKPC) as the Secretariat of the Recycling Fund will arrange a technical visit to "EcoBricks Limited" to introduce the collection of waste plastics and production of eco-bricks. To facilitate mingling and communicate among in the recycling industry in Hong Kong, your company/ organisation is welcome to participate in this visit.
